

Ground Loop Isolator NVG-004LIB

Features

- active ground loop isolator with impedance adjustment for video transmission

Specifications	Description
Insertion Loss	0.5 dB
Frequency	0-3 dB for 11 MHz
Input Resistance	75 Ohm
Output Resistance	75 Ohm
Breakdown Voltage	600 VDC
Transient Voltage	12 Vsk
Impedance Matching	Yes
Operating Temperature	0° ~ 55°C
Dimensions (mm)	73 (L) x 26 (W) x 28 (H)
Weight	77 g
Cable Type	Coaxial
Case	ABS (black)
